गुणवत्ता और संस्कारों का मेल: पायोनियर कान्वेंट

किसी भी शिक्षण संस्था के लिए यह कहना काफी आसान है कि हम सबसे श्रेष्ठ हैं और सबसे अच्छा स्कूल हमारा ही है। पायोनियर कान्वेंट ने अपनी स्थापना से ही शिक्षा को मिशन माना है और उसी के अनुरूप माहौल भी दिया है। पायोनियर कान्वेंट में संपूर्ण व्यक्तित्व के विकास से भी आगे संस्कारों का बीजारोपण करने का प्रयत्न करता है। पायोनियर में केवल किताबी ज्ञान नहीं बल्कि बच्चों को दुनिया से सामना कैसे करें इस बारे में भी बताया जाता है। पायोनियर की परंपरा और पायोनियर के संस्कार पाकर बच्चे न केवल स्वयं के व्यक्तित्व को बढ़ावा पाते हैं बल्कि उनमें आत्मविश्वास भी पैदा होता है।

शहर के बीच

पायोनियर कान्वेंट को शहर के मध्य ही कहा जा सकता है। महालक्ष्मी नगर से शहर के किसी भी क्षेत्र में आधे घंटे के भीतर पहुंचा जा सकता है और बेहतरीन बस व्यवस्था के कारण यह काफी आसान भी हो चुका है।

अलग शिक्षण पद्धति

संस्थान ने बच्चों को लेकर अलग शिक्षण पद्धति विकसित की है जिसमें शैक्षणिक और व्यवहारिक ज्ञान को मिलाया गया है। बच्चों को खेल खेल में शिक्षा के अलावा व्यवहारिक ज्ञान देने के लिए फील्ड टूर पर भी ले जाया जाता है।

अलग परिवेश

पायोनियर कान्वेंट में इस बात का पूर्ण ख्याल रखा जाता है कि बच्चों को अलग परिवेश और माहौल मिले जिससे बच्चों को पढ़ाई करने के लिए स्वस्थ और अच्छा वातावरण लगातार मिलता रहे।

पालकों से सीधा संवाद

बच्चों को प्रान हो रही शिक्षा में संपूर्ण विकास के लिए शिक्षकों और माता पिता दोनों को ही साथ साथ कार्य करना होता है। पायोनियर कान्वेंट में हम बच्चों में हो रहे परिवर्तनों को लेकर माता पिता से सीधा संपर्क करते हैं और इसके लिए पीटीएम (पैरेंट टीचर्स मीट) का इंतजार नहीं किया जाता बल्कि सीधे संवाद करने में हम विश्वास रखते हैं।

खेल व अन्य गतिविधियां

पायोनियर कान्वेंट में हम पढ़ाई के अलावा अन्य गतिविधियों में बच्चों को भाग लेने पर भी जोर देते हैं। खेलों के अलावा सांस्कृतिक गतिविधियों और स्पर्धाओं में बच्चों को भाग लेने के लिए प्रेरित किया जाता है। पायोनियर कान्वेंट केवल एक स्कूल नहीं बल्कि संपूर्ण व्यक्तित्व विकास की परिकल्पना है।

I Need that Spark

Ratna Juneja
Principal,
Pioneer Convent, Indore

Day and Night, there's only one thought, somewhere at the back of mind, of all parents that I need a spark in my child. To accomplish this dream they look upon the education system and the educational institutes where the child is able to get an all round development. The expensive, un-affordable fee structure of schools doesn't allow parents to fulfill their dream of making their child "A Complete Man."

There's no choice left, except for settling down for a school which is not able to give proper education as to make him a learner of 21st century.

Apart from bookish knowledge, social skills also matter a lot in the life of a child. They affect the child's esteem, grades and career choice with future relationships. All kids love to talk, feel loved and for that they need to pave way to social skills. A little positive reinforcement from school, his teachers will help him go a long way. We at 'Pioneer Convent' help the child to produce that 'SPARK' in him so that he proves his identity in life.

The child should be taught the random skills of kindness to learn humanity too. He should know what is being 'HUMANITARIAN' and what 'HUMANITY' means. A selfless act of giving resulting in the happiness of others should mean a lot to him. Definitely such things make him a well-rounded individual. We try to teach kindness to every child to activate the areas of brain and heart to make him connected to society with trust. We have proved that such act of kindness encourages their good behavior and they understand each other well. They are well-liked by society. There's one thing which I want to convey to parents, when you select a school for your child's education, don't go for big buildings or heavy fee structure. I am not saying that they are not needed. They are needed, but your child gets lost in the heavy crowd of classrooms. Don't you expect a teacher should pay attention individually towards your child ? Ask any teacher, is she able to do justification with your child where 60-70 students are in the class? The simple answer will be 'NO'. As parents decide for a school where the environments is free from stress & tension.

Pioneer Convent

Where curriculum helps in all round development of the student's

*Be strong when you are weak,
Brave when you are scared,
And humble when you are victorious.*

These are the golden rules of life. A school is a birthplace of an ideal citizen. It is where we learn to live a life of selfless service on behalf of the community. It is where we find the path to virtue. A school is an institution designed for teaching the students under the guidance of teachers. Pioneer Convent is one such school.

Pioneer Convent is one such school. Pioneer Convent was established in the year 1999. It has been a great journey since then with our students. In the guidance of our mentors Shri P.C. Jain, CA Dr. P.K. Jain and Mrs. Ratna Juneja, the school has achieved great heights not only in academics but also in sports and cultural activities. The school has been able to achieve so much because of the management's vision of offering educational services of highest quality. The institution focuses not only on academics but also in the overall development of personality of the students. The curriculum demands from the students to explore their potential and helps them in developing into a confident, committed, knowledgeable and responsible human being.

Pioneer Convent gives the students an opportunity to become physically fit through various kinds of sports. The students have been performing brilliantly every year and have been recognized at every level. The various sports that are available to the students are Basketball, Volleyball, Cricket, Football, Karate etc., Indoor activities like Chess, Table tennis, Badminton etc. The students who are interested in arts, Dance and music are given equal scope and opportunity to show their talent.

It is not possible to give proper guidance to the students if the teachers are not up to the mark, Pioneer Convent gives its teachers an opportunity to attend workshops in their respective fields. There are various workshops held for students as well, wherein experts from outside enlighten the students with knowledge.

The management and teachers strive to make the students fluent in languages. The curriculum is designed in a way to improve the oral, written and listening skills. The focus of the teachers is to make the students
